

INTRODUCTION TO THE SCOTTSDALE SEA and SKI CLUB

The Scottsdale Sea and Ski Club (SSSC) has become one of the premiere adult activity clubs in the Valley of the Sun. Recognized for years as just a ski club, SSSC has evolved into a club offering a variety of adventure-sport activities, travel opportunities and social functions. At SSSC you are not just a member you are part of a family of friends with a common goal: to live life to it's fullest.

With our roots in providing some of the best skiing and snowboarding adventures in the state, SSSC members have had the opportunity to ski (and board) in such local venues as, Telluride; Durango Mountain; Mount Bachelor, Oregon; Taos, New Mexico; Park City, Utah; and luxurious Aspen. International trips offered through SSSC and the Far West Ski Association, in recent years, has included Austria, France, Japan, Canada and Chile. Beautiful Zermatt, Switzerland is on the calendar for the winter of 2006.

In addition to our winter activities, SSSC plans a whole host of summer and non-skiing activities for adventure junkies of kinds. Hiking and camping adventures include, local day hikes at trails around the valley, as well as, multi-day hikes and camping in the Grand Canyon, Havasupai Canyon, along the Mogollon Rim and in other parts of our beautiful state.

Our 2005 activities calendar includes an eight day trip to Costa Rica. Members will have the opportunity to seek out the adventures of their choice, including Scuba diving, fishing, exploring or just relaxing. Trips to Rocky Point are also a very popular week end activity. In past years we have had Scuba specific trips to Central America and the Caribbean.

Other off ski season activities include, four wheel drive trips, kayaking adventures, white water rafting, water skiing and horseback riding.

Our social calendar includes weekly Friday Happy Hours at the some nicest restaurant /bars in the valley. Our formal wine tasting event in the fall has become recognized valley wide as a place to be, where the wine flows freely and the dancing lasts well into the night. Other club parties have included our Prescott Pub Crawl, the International Beer Tasting party and other house parties sponsored by our members.

At SSSC our message to our members is, "If you build it, they will come." Our board's mission is to deliver fun to our members at an affordable price, so they welcome ideas and opportunities from all members who not only have a desire to create an activity or a party, but who choose to lead their events.

Our membership at SSSC is well balanced between men and women. Even though a majority of our members are single, we welcome couples. In fact a number of our members have found that special someone in the club and have become a couple. Ages of our members range from the early thirties to the seventies. Whatever your interests are, we are confident you will find others that share your interests at the SSSC.

For more information about the club or to become a member contact our Membership Director at membership@scottsdale-skiclub.com. You can also visit our web site at www.scottsdale-skiclub.com.
